

## **SLML Archives Committee End of Year Report 2005-06**

The Archives committee reports that:

Several files have been deposited with the archives in the last fiscal year, including end of year reports for 2004-2005, material presented at the 33rd MCMLA meeting in Salt Lake City, Utah, September 19th, 2006 promoting the MCMLA 2006 meeting in St. Louis, and the 2006 St. Louis Medical Librarians Membership Directory (plus corrections.)

Kim Lipsey continues to help with the description of the collection inventory (finding aid) by adding more information about each file.

And I have been archiving SLML e-mail correspondence with the goal of printing these out for inclusion to the files.
