

SLML Nominating Committee 2005-2006

Jackie Hittner, chair

Kathy Alsup

Holly Hubenschmidt

The Nominating Committee held an election for President-elect from May 1, 2006 until June 3, 2006. The committee approached a member to serve in the position but the member declined to serve. A notice was sent to the SLML listserv asking for volunteers to serve in the position. One member offered her name if no one else wanted the position. The nominating committee would like to thank L. Rene Gorrell for agreeing to keep her name in for the election.
