

## **SLML Program and CE Committee Report 2005-06**

Reka Kozak, Chair

Members of the Committee: Kim Lipsey, Carol Murray, Nancy Bennett, Ed Walter, Lili Wang

The 2005/2006 academic year offered a variety of continuing education programs for SLML. It was a successful year. The number of participants was around 25 for each event.

### **October 13, 2005**

Kenton King Faculty Center

Bernard Becker Medical Library

For the SLML Matthews Medical Books was hosting a presentation: *On Collection Development in the Post Brandon Hill Era*.

Guest speaker was Dan Doody, President of the Doody Enterprise Inc.

Lunch was provided by Matthews Medical Books.

Highlights of this event was published in the SLML Newsletter, October 2005 issue.

### **Nov.3, 2005**

Archives and Rare Book Department

Bernard Becker Medical Library

This event was hosted by the Archives and Rare Book Department of Bernard Becker Medical Library.

The SLML were invited for the 9th Historia Medica Lecture Series.

The title of the program was: *Pharmacy in the Age of Civil War*.

Guest speaker was Michael Flannery, Associate Director of the Historical Collections of the Lister Hill Library at the University of Alabama.

Mr. Flannery's lecture was based on his new successful book titled: *Civil War Pharmacy: a History of Drugs, Drug Supply and Provision and Therapeutics for the Union and Confederacy*. London, Pharmaceutical Product Press, 2004

Refreshments were offered by the Archives and Rare Book Department.

### **December 22, 2005**

Kenton King Faculty Center

Bernard Becker Medical Librar

Annual Holiday Party Celebration

The Holiday Party started with a tour of the Washington University School of Medicine Farrell Learning Center. This new facility for learning and teaching is truly the heart of the Medical School.

The Holiday Program also included a slide presentation of the MCMLA Utah Meeting.

Dessert reception followed the presentation.

**March 3, 2006**

Bernard Becker Medical Library, Room 601

Program for this event was: Spring Satellite Teleconference for the MLA (viewing via DVD)

The title teleconference is: *Keeping Patients Safe: Roles for Information Professionals.*

The teleconference provided an overview on the topic, issues and individuals involved in patient safety work.

Refreshments followed the presentation.

**April 3, 2006**

Kenton King Faculty Center

Bernard Becker Medical Library

The Archives and Rare Book Department of Bernard Becker Medical Library hosted this event.

The Historia Medica Lecture Series presented: *The Eighteen Century Perspectives on Language, Mind and Brain from the Writings of Jonathan Swift.*

Guest speaker was: Marjorie Lorch PhD, Bircbeck College, University of London.

This event was also part of the Estelle Brodman Lecture Series.

Reception was followed the lecture. Refreshments were provided by the Archives and Rare Book Department of Bernard Becker Medical Library.

This lecture was also cosponsored by the Medical Humanities and Social Sciences Group in the College of Arts and Sciences.

**April 14, 2006**

Kenton King Faculty Center

Bernard Becker Medical Library

SLML Award Luncheon

The program for this even was: *Business Continuity and Disaster Planning in a Campus Environment.*

Guest speaker was: Tim Brooks, Director of Computing and Networking Services, Washington University, Bernard Becker Medical Library.

Tim's presentation reviewed the effort of Washington University Medical Library in ensuring the reliable and secure operations of its IT system and services. It covered the business continuity and DR Plans as a whole on local, facility, campus and regional basis. HIPAA and security compliance were discussed relative to its effect on high availability of the data and services required by patrons of the library.

Refreshments were offered after the lecture and award presentation.

**June 16, 2006**

At location of Matthews Medical Books  
Lunch and Year end-up meeting for the SLML.

Program for the event is: *Glass in the Garden: Chihuly at the Missouri Botanical Garden*  
Speaker: Lynn Kerkemeyer, Education Department, Missouri Botanical Garden

Lunch will follow the presentation. Lunch will be provided by the generosity of Matthew Medical Books

As the Chair of the Program and CE Committee, I would like to express my special thanks to all my Committee members, but most of all **Kim Lipsey** and **Carol Murray**. Without their advise, help and special effort we would not have such a successful year.
