RE: Annual report of the secretary of St. Louis Medical Librarians for 2006-2007

During the past term I have recorded the minutes of the July, August, September, November 2006, and January 2007 SLML Board of Directors meetings. Cheryl Cann graciously recorded and submitted minutes for the February 2007 meeting that I was unable to attend. I also recorded minutes from the June 2006 Annual Business Meeting. Minutes have been approved by the SLML board. All minutes have been forwarded to the Communications Chair to be posted to the SLML website.

Official correspondence for the year included thank you letters to Matthews Medical Books and Lynn Kerkemeyer of the Missouri Botanical Garden for the Annual Business meeting. Notes of condolence were sent on behalf of SLML to the families of Kathy Ray and Lucille Dykas.

Respectfully submitted,

Maria Minowitz
Secretary, St. Louis Medical Librarians
